

AgSystems GO

OCTOBER 2024

Best Wishes Gary!

Gary Blenkhorn, Ventilation Product and Market Development, has decided to move on and pursue other opportunities. We would like to express our heartfelt appreciation for Gary and the tremendous contributions he's made during his time with us. His dedication, expertise, and

unwavering commitment to excellence have left a lasting impact, especially through his instrumental role in transitioning Faromor into the Canarm Ag group, helping position us for continued growth and success.

While we are sad to see him go, we are equally excited about the new opportunities that lie ahead for him.

Welcome Otto!

It is our pleasure to announce that **Otto Boone** has joined our team in the position of Western Canada/USA Territory Manager. In this role, Otto will be responsible for growing sales, managing customer relationships, and expanding business opportunities within Western

Canada and the USA.

Otto grew up on a beef farm, raising cattle, and later managed farrow-to-finish swine barns. With years of experience in agricultural sales, he brings a deep understanding of the industry to our team. Outside of work, Otto has a passion for Great Danes and enjoys traveling.

Otto can be reached at (519) 301-5086 or oboone@canarm.ca.

Fellowship of Honour Award
David Beatty

Fellowship of Honour Award

Canarm is proud to announce that our Chairman of the Board, **David Beatty**, has received the YMCA Fellowship of Honour Award. For over 50 years, David has been a steadfast supporter of the YMCA of Eastern Ontario, and his forward-thinking leadership, commitment to community, and visionary approach have been instrumental in expanding the YMCA's impact across the region.

Congratulations David! Your Canarm family is so proud of you and your accomplishments! You inspire us to strive for excellence and uplift those around us, not just in our workplace but in our community as well!

Our Natural Ventilation Systems Around the Globe

Finland

Installation of our Max Air Curtain System in a brand-new dairy barn, bringing optimal climate control and ventilation to the herd. Great job to our dealer Dairytec out of Estonia!

Ukraine

installation of our Split Roll-A-Way Curtain System in a dairy barn north east of Lviv, Ukraine. These curtains will provide superior ventilation and climate control for optimal herd health and comfort.

New Product

CURTAIN POCKETS

Introducing our new curtain pockets – designed for quick, easy installation! Featuring one-piece top and bottom brackets with fully adjustable options, these pockets can cut your install time in half. Built tough with hot-dipped galvanized parts for lasting durability, they're available in sizes from 4' to 16'. The interim horizontal support brackets keep things sturdy, while new galvanized end pieces add a secure and polished finish. Compatible with all curtain systems, including Bottom Roll-Up, MaxAir, and Roll-A-Way, and easy to move for service access.

2025 Agricultural Catalogues

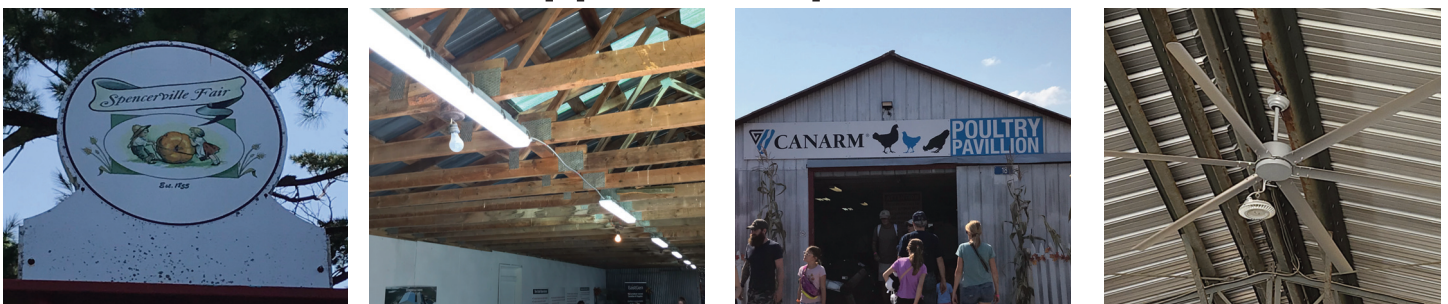

It's that time of the year again! Our Sales and Marketing teams are busy updating all of our agricultural catalogues. We have brand-new binders, so keep an eye on your mailbox in the new year for your new catalogues!

Van Heuvelen Poultry Farm Open House - Bowmanville, ON

This high-rise layer barn featured Canarm Ceiling Air Inlets, Min-Max Continuous Air Inlets, controls, and FG EC fans, all designed to optimize poultry production and ventilation! Great job to dealer Meller Poultry Equipment!

Proud to Support the Spencerville Fair

Buildings at the Spencerville Fair were well lit and well ventilated with Canarm fans and lighting! We're proud to have been a corporate sponsor for this educational and fun event.
