CANARM ACQUIRES PEERLESS BLOWERS ASSETS

Dear Valued Canarm Customer:

Canarm is thrilled to announce the acquisition of the assets of Peerless Blowers Heritage product lines and manufacturing equipment, further expanding our lineup of air movement solutions and increasing our manufacturing capacity.

This acquisition brings new product lines into the Canarm HVAC family, including the **KE Series Direct Drive Radial Blade Blowers** and **PW Series Direct Drive Pressure Blowers, Industrial blowers**, along with **Car Wash** ventilation systems.

This strategic move reflects Canarm's ongoing commitment to growth and delivering advanced, reliable products to our valued customers. With the addition of these Peerless Blowers products, you can look forward to even more options in our already diverse product portfolio.

Canarm is pleased to announce that **Heather Sawyer** has joined our team. This transition allows our current Peerless customers to continue working with a trusted contact. You can reach Heather at her email: hsawyer@canarm.ca.

For any new inquiries please contact your Canarm sales representative or hvacsales@canarm.ca

Thank you for choosing Canarm as your trusted partner in air movement solutions.

Sincerely,
